About Us

WINLF headquarters are located in downtown Lac du Flambeau. WINLF was created to provide access to affordable lending opportunities to WI tribal members with the goal of promoting financial self-sufficiency and improving economic and social conditions on Indian Reservations in Wisconsin.

WINLF has the mission and the passion to elevate tribal members towards building capacity for individuals and families to help them become economically stronger and navigate through these tough economic times. The ultimate goal of WINLF is to retain money in the community and teach people to become more self-reliant and economically independent.

Why Do We Lend?

Our loan products are great resources for people to realize their dreams of clearing up debt and becoming homeowners. WINLF strives to be the affordable solution and antidote to the predatory lenders that pervade our Reservations.

Education

We offer a wide variety of financial education workshops and one-on-one financial coaching. Classes are held in groups sessions and are open to the public.

If you are interested in attending or hosting a class please contact WINLF at 715-588-1600 or email INFO@WINLF.org

WINLF is now offering both online and class room courses. Our one-on-one coaching is also available remotely.
